SportsPlay Equipment, Inc.–The Leader in Providing Play Equipment for Children of All Abilities

We take great pride in manufacturing exciting and fun products for the playground that allow children to play together, regardless of their physical abilities. Our wheelchair accessible platform swing remains the industry standard for its category.

In addition, all of SportsPlay's modular playground designs can be ADA compliant and fully customized. And we also make a wide variety of other park and playground products that provide play equipment and recreational solutions for children of all ages and abilities. For instance, our JennSwing® ADA swing seats are well-known for providing a fun, highly comfortable, and secure swinging experience for children with special needs. Be sure to check out our entire catalog of SportsPlay products—we put the value in play!

SportsPlay™ Equipment Inc., is proud to offer IPEMA certified products.

In the interest of public playground safety, IPEMA provides a third party certification service whereby a designated independent laboratory validates a manufacturer's certification of conformance to the ASTM F-1487 (excluding section 10 and 12.6.1), Standard Consumer Safety Performance Specification for Public Use, standard. The use of this seal signifies that SportsPlay Equipment has received written validation from the independent laboratory that the product associated with the use of this seal conforms with the requirements of ASTM F-1487. A list of validated products may be found at the IPEMA's website: www.ipema.org.

SportsPlay™ Equipment Inc., is a member in good standing of IPEMA the international Play Equipment Manufacturers Association. IPEMA is a member driven international trade organization, which represents and promotes an open market for manufacturers of play equipment and surfacing.

We put the Value in Play!

Our mission is to provide fun equipment of exceptional safety, durability and value on the playground and in the neighborhood.

Please visit SportsPlay Equipment's social media sites including YouTube, Facebook, Instagram, and LinkedIn for special announcements and more information.

MUSHROOM KOTTAGE

Children ages 9 months to 2 years can explore this mushroom shaped playhouse. The Mushroom Kottage features many manipulative play events that encourage and develop gross motor skills, perceptual-cognitive and linguistic-social skills.

Pawprints and turtles for tactile exploration

Inside mirror

Play mailbox

Play rings

TOT TOWN®

MUSHROOM KOTTAGE

301-145 (Partially Assembled)	
301-145A (Fully Assembled)	
Ages:	**9 months-2 years**
Dimensions:	**56″ W x 8′ L x 5′ H**
Use Zone:	**20′ x 16′6″**
Weight:	**310 lbs.**

Inside, young explorers can find shapes that encourage tactile development and identification. Outside, the side bench helps build standing skills.

Easy to install and clean

For indoor or outdoor use

QUICK SHIP UNITS

Need quality playground equipment shipped in one week? Our Quick Ship Program offers 12 exciting playgrounds (in the 3.5" post design only). Choose between natural or primary schemes only.

CLASSIC FITNESS

Keep your community healthy with a SportsPlay Fitness Course! Child obesity continues to increase at an alarming rate. Currently, over 32% of children ages 6 to 11 years are overweight and 18% are obese. More than 12 million U.S. children are obese—nearly one in six. Overweight children face many health concerns, including damage to growing bones and cartilage, Type 2 Diabetes, heart disease and poor mental health. SportsPlay offers a wide range of Fitness Course activities to stimulate and challenge children to run, climb, jump, pull and push. Fitness Course activities are economical and provide unlimited configuration possibilities. Start small and add on later or create a large fitness challenge course to help your children stay healthy and fit. All fitness equipment is recommended for ages **five years to adult**.

SportsPlay's Fitness Courses are available in galvanized steel or choose one of the powder coated colors shown. There is a charge for each painted Fitness Course Product. See page 23 for color options.

INSTRUCTIONAL SIGNS

511-199	
Weight:	50 lbs.

Available for all fitness station products.

SportsPlay fitness products are designed to be interchanged. Let a SportsPlay distributor help you design a fitness course that is right for your space and budget.

STEP 1
Determine the size of your fitness space.

STEP 2
Select the events that provide the desired exercise and fitness challenges.

STEP 3
Select the color that is right for your environment. Selecting galvanized (natural steel) will provide value by lowering your costs.

STEP 4
Select instructional signage (optional) to complete your fitness course.

A AGILITY POLES

511-145P (Painted)

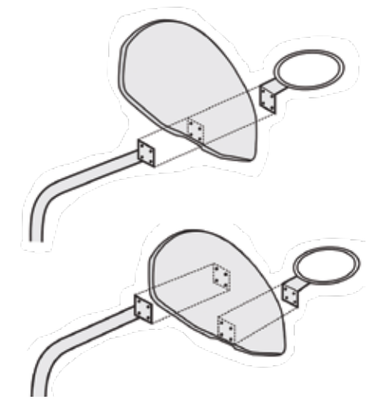
LIFETIME GUARANTEE

BASKETBALL ALUMINUM BACKBOARDS

Sportsplay guarantees its cast aluminum fan backboards for life when mounted "goal to post." If damaged under normal conditions, return backboard to our St. Louis, Missouri plant freight prepaid for a brand new replacement board, shipped freight collect.

SportsPlay Super Strong Goal to Post Mounting System

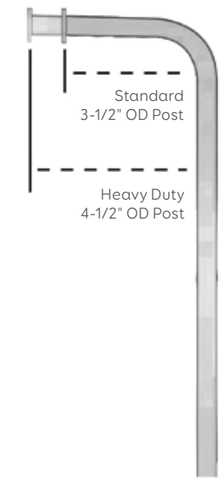


The **RIGHT** way to mount a backboard.

The goal and backboard are bolted together directly to the post forming a solid unit. All forces of "slam dunking" are safely absorbed by the heavy steel post, not the backboard.

The **WRONG** way to mount a backboard.

The goal is mounted only to the backboard and is not supported by the post. The force of "slam dunking" must be resisted by the backboard alone, which can easily bend and shatter.



SPORTSPLAY GOALS AND NETS

SUPER GOAL AND NYLON NET

542-973	
Weight:	18 lbs.

Official 18" diameter with 5/8" top and 1/2" bottom steel rings and 1/2" heavy duty braces for greater strength and rigidity than single ring goals. Front mount bracket is 3/16" x 7" wide. Twelve no-tie holders and 120 thread count nylon net.

SUPER GOAL AND STEEL CHAIN NET

SHADE STRUCTURES

SportsPlay Shade Structures are low maintenance, overhead canopies that are an ideal, cost effective shade solution. The fabric is knitted, high density polyethylene, which is UV stabilized and lock stitched, which means it will not fade, mold or rot. If torn, the lock stitch will prevent the canopy from unraveling. While providing shade play areas, our canopies help block out up to 95% of UV rays.

- Guaranteed for at least eight years against UV degradation
- Extends the life of playground equipment
- Endorsed by the American Cancer Association
- Extremely durable
- Enhances the overall appearance of play areas

SportsPlay Shade Structure nets have tiny holes that allow hot air to escape through the roof of the structure. Even with these holes, the standard netting has a high "water run off rate" of up to 93% which tends to keep the area underneath the shade structure partially dry.

STAND ALONE SHADE STRUCTURES

	Dimensions:	Weight:
901-091	12' x 20'	442 lbs.
901-092	18' x 20'	490 lbs.
901-093	20' x 24'	573 lbs.

Available in Red, Blue, Green or Yellow.

FOR ALL SHADES:
Specify R (Red), B (Blue), G (Green), or Y (Yellow) after product # when ordering.

901-091

901-092

901-093

Did you know?

Legislation is now being considered in many states in the USA making it compulsory to provide shade for children's outdoor play areas.

TERMS AND CONDITIONS

MINIMUM ORDER: All orders must exceed $30.00 net in merchandise. Orders for less than $30.00 will be subject to a $10.00 handling charge.

PRICES: Prices exclude shipping & handling. Prices are subject to change without notice.

RECEIPT OF SHIPMENT/CUSTOMER RESPONSIBILITY: Before signing for your order, check to see that you are receiving the same number of cartons, bundles, welded frames, etc., indicated on your receipt. It is imperative that you check your shipment against your order and against the parts list(s) provided within assembly instruction(s) to ensure that all items, product components, and individual parts are included. You will have 10 days to report anything missing from your order—after that, if you have not notified SportsPlay, "missing" materials will need to be purchased. Note any visible damage on your receipt and have the driver note this also. Damage that is found after you unpack the shipment (concealed damage) must be reported to SportsPlay Customer Service immediately. Please closely inspect your shipment! Most freight companies allow 10 days from receipt to report concealed damage or missing components. NOTE: If you discover damage of any kind, DO NOT DESTRY ANY ORIGINAL SHIPPING CARTONS. All SportsPlay merchandise is shipped unassembled unless otherwise specified in the catalog.

TAXES: Taxes may be added to an invoice unless a satisfactory resale certificate or tax exempt certificate is provided.

TERMS: All invoices are due and payable 30 days from the invoice date. We do not ship COD.

FREIGHT CLAIMS: Customers, upon delivery, are expected to check products against packing list and sign the order short otherwise claims will not be honored. SportsPlay will not honor freight claims on concealed damage 14 days past delivery date.

RETURNS AND EXCHANGES: Returns will not be accepted without prior written authorization from SportsPlay. Restocking charges and all freight charges may apply. Absolutely no returns will be authorized on equipment which has been installed or equipment which has been in storage for more than 90 days. Returns on any items in an unusable condition subject to a 50% cancellation fee.

CANCELLATION OF ORDERS: Orders cancelled with SportsPlay after any customer work has been done or after they have been loaded on the trailer are subject to a 10% cancellation fee. Cancellation of any custom orders subject to a 50% cancellation fee.

INSTALLATION: All products delivered knocked down (not assembled) unless otherwise noted. Detailed assembly instructions and a packing list are included in the hardware bag(s) of your shipment and should be carefully checked against the order immediately.

CATALOG ERRORS & PRODUCT CHANGES: Due to the possibility of typographical errors in this catalog, as well as fluctuations in raw material costs, prices and descriptions are subject to change without notice. SportsPlay reserves the right to change product specifications or colors at any time without incurring obligations. Pictures may not reflect changes made to meet new CPSC guidelines.

SHIPPING & HANDLING CHARGES: All shipments are F.O.B. origin, and shipping and handling is not included in the price. Freight charges include normal tail gate delivery within the continental United States. (Additional charges will be added for shipments out of the continental U.S.) "Inside Delivery" requests must be specified on the order. There are additional charges for "Inside Delivery," "Residential" and "Call Before Delivery." Please call for an estimate on these charges.

TERMS AND CONDITIONS (CONT.)

Lifetime* Warranty is offered on the following:

Aluminum Domes • Aluminum Rings • Spring Rider Aluminum Ponies • Cast Aluminum Backboards

Metal Modular Units/Components:

Limited Lifetime* Warranty: Steel Support posts • Aluminum clamps

Limited 15-year Warranty: Main support materials • Decks

Limited 10-year Warranty: Plastic components

Limited 3-year Warranty: Fun Center polyethylene and plastic components

Limited 1-year Warranty: All products not listed above.

*Lifetime warranty pertains to the life of the equipment. The LIFETIME warranty for Aluminum Fan Backboards only applies to aluminum fan backboards in which the goal is mounted directly to the post as recommended by the manufacturer and installed per manufacturers instructions. The warranty will be voided for all backboards not installed per these requirements. Use of any other attachment method will void all warranties written, expressed or implied. If any of these products are damaged under normal use conditions, return the broken parts to SportsPlay Equipment, Inc. at their Park Hills, Missouri plant. SportsPlay will send you a brand-new replacement part. You pay only the return and outbound freight. Repair/Replacement orders for warranted products will be for the component part only. (Not the entire product.) Contact your SportsPlay distributor for a return authorization.

Warranties apply to structural failure caused by defective materials or defective workmanship, and with normal use and proper maintenance and installation. Damages from misuse, vandalism, lack of maintenance, improper installation, unauthorized repairs or modifications, acts of God or acts beyond SportsPlay's control, or cosmetic issues such as scratches, dents or fading of colors, are not covered by the warranty, nor does the warranty cover the cost of freight or labor for removal and installation of repaired or replacement parts. Warranties are limited to repair or replacement of defective parts. A repaired or replacement part is covered only for the original warranty period. All warranties begin on the delivery date of the goods. Warranties are non-transferable and only apply to end users who purchase new products directly from SportsPlay or an authorized SportsPlay distributor for personal or business use and not for purpose of re-distribution or re-sale.

NO OTHER WARRANTIES APPLY. SPORTSPLAY EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE ABOVE WARRANTIES EXCLUDE ANY LIABILITY OTHER THAN AS EXPRESSLY STATED INCLUDING, BUT NOT LIMITED TO, ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES.
